

FRIENDS OF CARPENTER'S WOODS

# Plant Wars!

Push back the alien invaders!

**Sat., October 27**

9 a.m. – noon  
1–3 p.m.

**Meet at Wayne Ave Bus Stop entrance**  
(Wayne & Sedgewick Avenues)

Join David Bower of Parks & Recreation and Friends of Carpenter's Woods to remove invasive vines along the lower trail, the meadow, and the nearby hillside.

- English Ivy (pushy, doesn't play well with others, creates a monoculture)
- Wisteria (a.k.a. *Purple Death*, strangles and overwhelms trees)
- Japanese Knotweed (a.k.a. *Killer Bamboo* and the *Godzilla of Plants*)
- Oriental Bittersweet, Wild Grape, and other nasties that have to go!

**Gloves and Tools Provided**  
**Lunch Provided for Volunteers**

*All are Welcome—Bring your Family and Friends!*
